

Multiple Choice

Choose the best answer from the answer options, and fill in one circle for the correct answer. This item type may have three or more answer options. Fill in the circle by making a solid mark that completely fills the circle.

Multiselect items

Select the specified number of correct answers from the answer options (more than one), and fill in the circles for more than one correct answer. The item will make clear how many circles you should fill.

Open Response items

Read the question carefully, and write your answer in the space provided. This item type can be answered in one to two complete sentences. Any writing outside the box will not be scored.

Multi-part items

Enter your responses to two or more related questions. The parts of the item may be either multiple-choice or multiselect (more than one correct answer), so read the item carefully to know how many correct answers to choose.

Editing tasks

Choose the correct word or phrase to fill in each blank in a passage. For each blank, fill in the circle before the correct word or phrase. If you write your answer in the blank but do not fill in the circle, your answer will not be scored.
